

West Suburban Chamber of Commerce & Industry Foundation  
& Lyons Township High School host the 4th Annual

# Computer Recycling Drive

Recycle your computers, printers, monitors, & cell phones, too!

**9 am – 12 noon**

**Saturday, May 17**

*Lyons Township High School  
South Campus  
4900 S. Willow Springs Road*

There is no drop-off charge, however, **cash donations will be accepted.**

Proceeds benefit the WSCCI Foundation including a self-advocacy program for young adults with disabilities.

Cell phones will be collected by the INTERACT club for donation to PILLARS

- All donated equipment is tax deductible \* Receipts provided
- Hard drives will be shredded to protect personal information by SIMS Recycling, or if chosen for reuse, equipment will be wiped to National Security Administration standards by LTHS Computer Department
- Sims Recycling Solutions, world's largest electronic recycler, will responsibly recycle all materials. Equipment is recycled domestically Illinois. No electronics end up in a landfill
